

**You Can Refinish
Yes, a Piece of Your
Furniture at Our Expense**

We want to prove to you how easily you can make an old piece of furniture new.

Here is what we give: A bottle of Johnson's Electric Solvo to instantly remove the old finish. A bottle of Johnson's Wood Dye to beautifully color the wood. A package of Johnson's Prepared Wax to impart that rich, fine lustre—to protect the finish against heel marks and scratches.

**Johnson's
Wood Dye**

It is not a mere stain—not simply a surface dressing. It is a real, deep-seated dye, that goes to the very heart of the wood—and stays there—fixing a rich and permanent color.

Johnson's Wood Dye is made in 14 standard shades, every one of which you may have in the tree sample.

Let them demonstrate what Johnson's Materials will do in your home.
